

The University of Arizona Mel and Enid Zuckerman College of Public Health and the Public Health Student Alliance
Present the:

2014 DIVERSITY CELEBRATION

Healthier Together Than Apart

The 6th Annual Diversity Celebration at the University of Arizona Mel and Enid Zuckerman College of Public Health is designed to highlight and foster debate and awareness of the incredible diversity of background and experience amongst the College of Public Health students, faculty, staff and the wider Tucson Community.

As a representative student organization the, **Public Health Student Alliance** appreciates the need to create a Public Health workforce that mirrors the world in which we live.

The Theme of this year's Celebration is:

Healthier Together than Apart

Join us for exciting and enlightening events such as:

- Discussions about sociocultural issues in diversity
- Diversity Jeopardy and other physical and mental games!
- Musical and other performances including Navajo Flute, Tai Chi, Yoga.
