## EARN TWO DEGREES AT ONCE IN COLLABORATION WITH THE UNIVERSITY OF ARIZONA

### MPH in Public Health Practice

Students follow Public Health Program Level Competencies, learning to work effectively as part of multidisciplinary teams to develop, manage, and evaluate public health programs designed to address health disparate populations. This program articulates into the Master in Public Health Degree from the University of Arizona.

## YOU HAVE THE OPPORTUNITY TO...

Experience a U.S. education *without* leaving Ajman!

Pay significantly less than earning the *same* degree in the U.S.

Earn *two* degrees at once.

# ENHANCE YOUR EDUCATION

Our teaching style embraces technology and encourages active learning, empowering you to apply classroom concepts to real-world situations.

- Learn from University of Arizona and Gulf Medical University professors
- Become part of two alumni networks
- Advance your English language skills

## LEARN & HAVE FUN AT A WORLD-CLASS CAMPUS

As a leading medical university in the Gulf Region, GMU operates its own network of hospitals and clinics. Its Thumbay Institute acts as a hub for research and continuous professional development. Spread across 25 acres in Ajman, the main campus houses world-class laboratories, classrooms, and an extensive library. Students enjoy shops, restaurants, and indoor and outdoor sports complexes.

## EXPLORE TUCSON & THE SOUTHWESTERN UNITED STATES

Complete your degree program entirely in Ajman or study abroad at the University of Arizona campus in Tucson, USA – close to California, Mexico, and the Sea of Cortez. Tucson blends the beauty of the Sonoran Desert with a rich culture of live music, exceptional dining, and outdoor adventure.
