

Bridget S. Murphy, DBH, M.Ed.
Curriculum Vitae
As of 02/26/2024

Current Affiliations, Title, Pronouns

Health Promotion Sciences (HPS) (home academic unit)

The University of Arizona
Mel & Enid Zuckerman College of Public Health

Center for Rural Health (CRH)

The University of Arizona
Mel & Enid Zuckerman College of Public Health

Comprehensive Center for Pain and Addiction (CCPA)

The University of Arizona
Health Sciences

Assistant Research Professor
(520) 621-6611
bridget@arizona.edu
Pronouns: she/her/ella

Education

Pima Community College Tucson AZ United States
No Degree Issued
Major Field: General Studies

Jones International University Centennial, CO United States
Bachelor's Degree: 12/2004
Major Field: Business Communications, Magna Cum Laude

Northern Arizona University Flagstaff, AZ United States
Master's Degree: 08/2007
Major Field: Education: Counseling-Human Relations, With Distinction

Arizona State University Tempe AZ United States
Doctorate Degree: 05/2020
Major Field: Behavioral Health Management

Culminating Project Title: *Improving staff effectiveness, efficiency, and knowledge of health information exchange.*

Doctoral Chair. Christine Borst, PhD

Employment

Amity, Inc.

Multiple titles (approximate dates) 11/1988-01/1997

National Development and Research Institute

Evaluation Coordinator 01/1997-03/1998

Honors and Awards

- Outstanding Staff Member. Nominated. University of Arizona: College of Social and Behavioral Sciences, 2002.
- Lambda Pi Eta. Communications Honors Society, 2003-2004.
- Outstanding Staff Member. Award Recipient. University of Arizona: College of Social and Behavioral Sciences, 2005.
- Outstanding Volunteer. Tucson Interfaith HIV/AIDS Network, 2007.
- Ten years of consecutive service to The University of Arizona. Service Award, 2008.
- Honored to Recognize. Collaboration for Student Substance Abuse Treatment. Tucson Unified Schools. Annual Recognition Event, 2009.
- Community Health Leaders. Nominated. Sponsored by Robert Wood Johnson Foundation, 2010.
- Fifteen years of service to The University of Arizona. Service Award, 2018.
- Five Star Faculty Award. Nominated. University of Arizona, 2023.
- Twenty years of service to The University of Arizona. Service Award, 2023

Licensure

Licensed Independent Substance Abuse Counselor,
Arizona Board of Behavioral Health

2004-2013

Service/Outreach (current rank)

Local/State Outreach

- Member (2020-2023). Hepatitis C Elimination Advisory Group. Sponsored by Arizona Department of Health Services.
- Member (2023-2023). Laboratory for Cannabis, Hemp, and Environmental Health on disseminating education on containments detected in cannabis. Arizona State University & Comprehensive Center for Pain and Addiction Center.
- Member (2023-current). Planning committee. Addressing Substance Use Disorders in Rural Areas. Center for Rural Health & Guild Health Group.
- Member (2023-current). Overdose Data to Action grant activities. Center for Rural Health & Pima County Health Department.
- Fellow (2023-current). Mountain States-Community Engaged Dissemination and Implementation Training Program. Sponsored by Arizona State University.

National/International Outreach

None.

Department Committees

- Member (2024) HPS Doctoral Admissions.

College Committees

- Member (2022-2022). Committee on Diversity and Inclusion. Mel & Enid Zuckerman College of Public Health.
- Member (2020-2021). Pain and Addiction Curriculum. College of Medicine.
- Member (2023 – current) Committee on Diversity and Inclusion. Mel & Enid Zuckerman College of Public Health.
- Faculty lead (2023 – current). Addiction and substance use minor and certificate program. Mel & Enid Zuckerman College of Public Health.

University Committees

- Chair (2023-current). Opioids - Interprofessional Education and Practice. Center for Transformative Interprofessional Healthcare.
- Faculty advisor (2024 – current). Student club – Team Awareness Combatting Overdose

Other Committees

None.

Conferences/Scholarly Presentations (current rank)

1. Nuño VL, **Murphy BS**. Nurtured Heart Approach to parenting to improve attention and hyperactivity/impulsivity in children. Lecture. Presented at the Arizona Center for Rural Health online seminar series; 2021 Apr. Tucson, Arizona. Invited.
2. Kinsella C, **Murphy B**. Opioid stewardship assessment program for Arizona critical access hospitals (CAHs). Presented at the Arizona Center for Rural Health annual conference; 2022 Jun. Flagstaff, Arizona. Submitted.
3. Cameron E, **Murphy B**. Clichee D, Brady B, Akmajian P. The AzMAT Mentors Program. Individual and organizational support for increasing capacity for substance use disorder treatment. Presented at the Arizona Center for Rural Health annual conference; 2023 Jun. Flagstaff Arizona. Submitted.

Awarded Grants and Contracts

Federal/State

Comprehensive Residential Drug Prevention and Treatment Project for Substance Abusing Women and their Children, 1993 to 1998

Funded by: Department of Health and Human Services-Substance Abuse and Mental Health Services Administration.

Description: Project staff evaluated the effectiveness of gender-specific therapeutic community for pregnant and parenting women.

Role: Evaluation Coordinator

La Cañada Adolescent Research Study, 1998 to 2001

Funded by: Department of Health and Human Services-Substance Abuse and Mental Health Services Administration.

Description: Project staff evaluated the effectiveness of three substance use disorder treatment programs (step-down residential, outpatient, juvenile drug court).

Role: Research Specialist

HIV Treatment Expansion Adolescent Study, 1999 to 2004

Funded by: Substance Abuse and Mental Health Services Administration via CODAC Behavioral Health

Description: Project staff evaluated an HIV intervention for adolescents in residential and outpatient treatment.

Role: Research Specialist/Research Specialist Senior

La Cañada Adolescent Treatment Research Study - Persistent Effects of Treatment Study for Adolescents, 2001 to 2004

Funded by: Substance Abuse and Mental Health Services Administration via Westat. **Description:** Project staff conducted 24- and 30-month follow up interviews with adolescents that received residential substance use disorder treatment.

Role: Research Specialist/Research Specialist Senior

Youth Empowerment Project (YEP), 2001 to 2004

Funded by: Department of Health and Human Services-Substance Abuse and Mental Health Services Administration.

Description: Project staff implemented an intervention that blended HIV/STD and substance use prevention curriculum for youth and families enrolled in two alternative schools.

Role: Research Specialist/Research Specialist Principal

Conexiones Sanas, 2002 to 2007

Funded by: Department of Health and Human Services-Substance Abuse and Mental Health Service Administration.

Description: Project staff implemented and evaluated a culturally appropriate HIV/AIDS, and sexually transmitted infections (STI) intervention for adolescents in residential and outpatient substance use disorder treatment in two of the highest populated Arizona counties.

Role: Research Specialist, Senior/Evaluator

Pulse for Life, 2003 to 2004

Funded by: Department of Health and Human Services, Substance Abuse and Mental Health Services Administration via Southern Arizona AIDS Foundation

Description: Project staff implemented and evaluated prevention efforts for reducing HIV/AIDS and club drug usage for men who have sex with men (MSM) and gay men.

Role: Research Specialist/Research Specialist Senior

Cornerstone: Gender Specific Sexual Health Curriculum for Adolescents, 2005 to 2008

Funded by: Community Partnership of Southern Arizona via Arizona's Children Association

Description: Project staff developed and implemented a sexual health program for adolescents in outpatient treatment.

Role: Research Specialist Principal/Associate Research Professor

Increasing Alcohol and Other Drug Treatment within a University Health Services Center - Project CHAT, 2005 to 2008

Funded by: Department of Health and Human Services-Substance Abuse and Mental Health Services Administration

Description: Project staff implemented and evaluated a screening, brief intervention, and referral to treatment (SBIRT) for college students seeking services at campus health.

Role: Research Specialist Principal

Integrating Individual and Environmental Strategies to Prevent High-Risk Drinking Among First Year Students - Project Shade, 2005 to 2007

Funded by: The United States Department of Education

Description: Project staff integrated individual and environmental strategies into preventing high-risk drinking among first-year college-aged students utilizing in-person and online delivery methods.

Role: Research Specialist Principal

AZTEC Middle College, 2005 to 2008

Funded by: United States Department of Education via Pima County Superintendents Office

Description: Provided evaluation consultation for the AZTEC Middle College located on four community college campuses in Tucson, Arizona. Consultation services included collaborating to develop evaluation plan, analyses of academic data, report generation, presentation of findings.

Role: Evaluation Consultant

Project DAP-An HIV and Substance Abuse Relapse Prevention Project, 2006 to 2011

Funded by: Department of Health and Human Services-Substance Abuse and Mental Health Service Administration.

Description: Project staff implemented and evaluated interventions aimed at reducing sexual

risk behaviors and substance use relapse for youth and their caregivers in urban and rural locations.

Role: Principal Investigator/Project Director

Proyecto de las Mariposas, 2006 to 2009

Funded by: Department of Health and Human Services-Substance Abuse and Mental Health Service Administration.

Description: Project staff implemented and evaluated evidence-based substance abuse treatment and continuing care interventions for adolescents and their caregivers.

Role: Principal Investigator/Project Director

HerStory to Health, 2007 to 2012

Funded by: Department of Health and Human Services-Substance Abuse and Mental Health Service Administration.

Description: Project staff implemented and evaluated an intervention aimed at reducing HIV and other sexually transmitted infections for women in substance use disorder treatment.

Role: Evaluator

Las Rosas: A Recovery Oriented System of Care for Adolescent Girls, 2008 to 2011

Funded by: Department of Health and Human Services-Substance Abuse and Mental Health Service Administration.

Description: Project staff designed, implemented, and evaluated a recovery-oriented systems of care approach for adolescent girls and their caregivers. Three evidence-based approaches were implemented including The Sanctuary Model, Seeking Safety, and the Southwest Institute for Research on Women's Sexual Health Education (SIROW-SHE). A recovery-oriented systems of care consortium use evaluation data to inform state and community policy for identifying barriers and expanding services to adolescent girls.

Role: Principal Investigator/Project Director

Technical Assistance Services SAMHSA/CSAT Division of Services Improvement Activities and Its Grantees, 2009 to 2011

Funded by: Substance Abuse and Mental Health Service Administration (SAMHSA) via JBS International.

Description: Staff developed and implemented the 2010 Joint Meeting on Adolescent Treatment Effectiveness - a national meeting that addressed treatment for youth substance use disorders.

Role: Principal Investigator/Project Director

Recovery Support Services for Adolescents and Families, 2009 to 2011

Funded by: Department of Health and Human Services-Substance Abuse and Mental Health Services Administration via Chestnut Health Systems.

Description: This multisite project tested the effectiveness of three recovery support services for adolescents leaving residential substance abuse treatment. The recovery support's tested

included (1) telephone support, (2) recovery-oriented social networking site, and (3) family supports.

Role: Associate Research Professor

Conference Enhancement Grant, 2010 to 2011

Funded by: Department of Health and Human Services-Substance Abuse and Mental Health Services Administration.

Description: Project staff enhanced the number of sessions at 2010 Joint Meeting on Adolescent Treatment Effectiveness that specifically addressed trauma, family involvement, and culture.

Role: Principal Investigator/Project Director

Evidence Based Models that Address Trauma and Substance Use Disorder for Adolescents and Transitional-Aged Youth: Literature Review, 2011 to 2011

Funded by: Substance Abuse and Mental Health Service Administration (SAMHSA) via JBS International.

Description: Project staff conducted a literature review of evidence-based models for treatment substance use disorders and trauma symptoms for adolescents and transitional-aged youth.

Role: Principal Investigator/Project Director

Reclaiming Futures Training and Technical Assistance, 2015 to 2017

Funded by: Office of Juvenile Justice and Delinquency Prevention

Description: Staff provided training and technical assistance to juvenile justice jurisdictions implementing the Reclaiming Futures approach and model.

Role: Program and Policy Analyst

Arizona Medication Assisted Treatment Mentors (AzMAT Mentors Program), 2019 to 2023.

Funded by: Department of Health and Human Services-Substance Abuse and Mental Health Services Administration via Arizona Department of Health Services

Description: Staff connect experienced MOUD providers (mentors) with less experienced ones (mentees) to offer training and support to increase capacity for providing substance use disorder services in Arizona.

Role: Co-Investigator/Research Program Administration Officer II/Assistant Research Professor

Prescription Drug Overdose Prevention Program (PDO), 2020 to 2023.

Funded by: Department of Health and Human Services – Centers for Disease Control and Prevention via Arizona Department of Health Services

Description: Collaborate with community partners and coalitions to address substance use issues in rural Arizona.

Role: Co-Investigator/Research Program Administration Officer II/PI

Project Arizona Rural Opioid Response Implementation (AzRORI), 2020 to 2022.

Funded by: Department of Health and Human Services-Health Resources and Services Administration via Arizona Alliance for Community Health Centers.

Description: Provide professional training and resources to address substance use disorders/opioid use disorders in three rural Arizona counties.

Role: Research Program Administration Officer II/Assistant Research Professor

Marijuana Education and Community Outreach (AzCANN), 2022-current.

Funded by: Arizona Department of Health Services

Description: Provide education to healthcare professionals and students on responsible adult cannabis use.

Role: Assistant Research Professor/Project Advisor

Advancing Health Equity in Rural Healthcare: Translational Science in Pain and Addiction, 2023 – current.

Funded by: University of Arizona's Health Sciences and Mel & Enid Zuckerman College of Public Health.

Description: Conduct translational research on Opioid Stewardship Programs implementation barriers and facilitators among rural healthcare organizations.

Role: PI/Assistant Research Professor

Overdose Data to Action – State, 2023-current.

Funded by: Department of Health and Human Services – Centers for Disease Control and Prevention via Arizona Department of Health Services

Description: Collaborate with community partners and coalitions to provide training and technical assistance on identifying and responding to pain and addiction, opioids, overdose, polysubstance use.

Role: PI/Assistant Research Professor

Industry

Providence Evaluation Study, 1998 to 2003

Funded by: Providence Service Corporation

Description: Project staff evaluated Providence Service Corporations substance use treatment and child welfare programs in Arizona and Oklahoma.

Role: Instructional Specialist/Evaluation Consultant
