2010 National Institutes of Health, Special Emphasis Panel to review applications in response to RFA-CA-10-006 Transdisciplinary Research in Energetics and Cancer (U54) and RFA-Ca-10-501 Coordination Center for Transdisciplinary Research in Energetics and Cancer.
2010 National Institutes of Health, Co-Chair, Special Emphasis Panel Diet and Physical Activity Methodologies: 2011/01 ZRG1 PSE-B (50) R.
2011 Advisory Committee Member, Collaboration Across Borders 3rd Biennial Interprofessional Educational Conference, Tucson, AZ, November 2011.
2011 National Institutes of Health, Member, Special Emphasis Panel, Academic Research Enhancement Award, ZRG1 RPHB-Q (90) A, September 8 2011.

Professional Organizations

1977-94 Member, Registered Microbiologist, National Registry of Microbiologists, Specialties in Immunology and Parasitology
1980-83 Member, Nutrition Council of Arizona
1980-83 Member, Navajo Nation Nutrition Council
1986-92 Member, Florida Public Health Association

- 1986+ Member, American Public Health Association, Maternal and Child Health, and Food and Nutrition Sections
- 1993+ Member, Arizona Public Health Association, Nutrition Section
- 1994+ Member, American Society of Nutritional Sciences (Formerly the American Institute of Nutrition)
- 1994+ Member, American Society of Clinical Nutrition
- 1994+ Member, Society for International Nutrition Research
- 1999-10 Founding Member, Rocky Mountain Public Health Education Consortium

SCHOLARLY PRESENTATIONS

- 1980** *Electrolyte Balance and Athletic Performance.* Sixth Annual Sports Medicine Symposium, Sponsored by the Arizona Medical Association and the American Alliance for Health, Physical Education, Recreation and Dance, Phoenix, AZ. 1980. (35 attendees)
- 1983** *Using Variance to Evaluate the Gross Impact of the WIC Program on the Growth of Navajo Preschoolers.* Navajo Nation WIC Program. 1983. (15 attendees)
- 1986** *Nutrition and Cultural Food Habits.* Invited Lecture presented at Hobart and William Smith College. 1986.
Ascariasis and the Nutritional Status of Children. Environmental and Occupational Health Seminar, University of South Florida. (45 attendees)
- 1986-87** *The use and Limitations of the Recommended Dietary Allowances and Dietary Survey Data.* Presented to the Dietetic Internship Program at the James A. Haley Veterans Administration Hospital. (10 attendees)
- 1987** *Experiences on Joint Government and University Projects in Health Surveillance.* Presented at the workshop on "Health Information and Epidemiology." A joint meeting of representatives of the Pan American Health Organization, the Association of Schools of Public Health and the Association of Latin American Schools of Public Health, Caracas, Venezuela, May 28, 1987. (20 attendees)
- 1988** *Los Criterios para predecir la prematuridad.* Presented to the Instituto Costarricense de Investigación y Enseñanza en Nutrición y Salud, Tres Rios, Costa Rica, January 26, 1988. (30 attendees)
- 1988** *The Role of Parenting in the Development of Nutritional Habits in Children.* Partners in Perinatal Health, June 10, 1988, Kissimmee, Fl. (25 attendees)
- 1988-89** *Preterm Labor Prevention: What is Going on in Florida and Across the Nation.* 3rd Annual Program Series. A series of 9 lectures throughout Florida State, University of South Florida. (360 attendees)

- 1989 *Childhood Obesity - An Emerging Public Health Issue*. Presented lecture on Childhood Obesity at the Annual Meeting of the Florida Public Health Association, Orlando, November 2, 1989. (15 attendees)
- 1989 *Prevention of Preterm Births*. Intensive Course in Maternal Nutrition. Sponsored by the Department of Obstetrics and Gynecology, the University of Florida and the Office of Maternal and Child Health, U.S. Department of Health and Human Services, Gainesville, February 1989. (40 attendees)
- 1989 *Demographic Characteristics and Food Availability of Low Income Families*. Presented at the Regional Meeting of the Florida Public Health Association, New Port Richey, 1989. (25 attendees)
- 1989 *Nutrition: Food For Life or Mind Over Platter*. HRS Hillsborough County AIDS Patient Care and AIDS Program. September 25, 1989. (10 attendees)
- 1990 *Nutrition and AIDS*. Women's AIDS Resource Movement (WARM), Tampa AIDS Network, February 17, 1990. (10 attendees)
- 1990 *Obtaining and Interpreting Nutritional Information*. Pasco County Public Health Unit, Dade City, Florida, May 31, 1990. (15 attendees)
- 1991 *Improving the Health and Vitality of the Andean Village of Gavidia*. Language, Culture, and Society in the Americas Conference, Mérida, Venezuela, February 16, 1991. (35 attendees)
- 1991 *Evaluación del estado nutricional durante el embarazo*. Caja de Seguro Social, Republic of Panama, Panama City, Panama, May 2, 1991. (45 attendees)
- 1991 *Prevención, diagnóstico y tratamiento para anemia y la carencia de vitamina A en niños*. Caja de Seguro Social, Republic of Panama, Panama City, Panama, May 1, 1991. (45 attendees)
- 1991 *Prevención, diagnóstico y tratamiento de sobrepeso en niños*. Caja de Seguro Social, Republic of Panama, Panama City, Panama, May 1, 1991. (45 attendees)
- 1991 *Malnutrición y parasitosis*. Caja de Seguro Social, Republic of Panama, Panama City, Panama, May 2, 1991. (45 attendees)
- 1991 *To Gain or Not to Gain: What Should Pregnant Women Eat?* Annual Meeting of the Florida Partners in Perinatal Health. Tampa, Florida, June 22, 1991. (50 attendees)
- 1991 *Using Nutritional Indicators for Evaluation of Rural Development Projects*. McGill University, Macdonald Campus, Beaconsfield, Quebec, Canada, October 15, 1991. (30 attendees)
- 1991 *La Relación de vitamina A con morbilidad y mortalidad*. National Workshop on Micronutrient Deficiencies, Santiago, Republic of Panama, December 2-6, 1991. (50 attendees)
- 1991 *Diagnóstico para la carencia de vitamina A*. National Workshop on Micronutrient Deficiencies, Santiago, Republic of Panama, December 2-6, 1991.
- 1993 Taren DL, Freeman MB, Brandenburg N. Evaluation of Dietary and Activity Questionnaires for Elementary School Children. *New York Academy Conference on The Prevention and Treatment of Childhood Obesity*. Washington, D.C. March 9-12, 1993. (100 attendees)
- 1993 *Impact of Interventions for One Disease on Another Disease*. 4th Millennium Conference on Family and Community-Based Methods for the Prevention and Control of Vector-Born and Parasitic Diseases. INMED, Washington, DC. June 15-18, 1993. (50 attendees)
- 1994 Parasitosis and Nutrition. University of Honduras, Medical School Hospital, Tegucigalpa, Honduras, January 19, 1994. (30 attendees)
- 1994 Ventajas y Desventajas de la Lactancia Materna Prolongada: Factores que Influyen en la Nutrición, Crecimiento y Supervivencia. *X Congreso Latinoamericano de Nutrición*, Caracas, Venezuela. November 14-18, 1994. (25 attendees)
- 1994 Cambios en la concentración de retinol después de proveer suplementos de β -caroteno a mujeres en lactancia y sus niños. *X Congreso Latinoamericano de Nutrición*, Caracas, Venezuela. November 14-18, 1994. (30 attendees)
- 1994 The Women's Health Initiative. The Arizona Dietetics Association Annual Meeting, Mesa, Arizona, June 9, 1994. (250 attendees)
- 1994 Vitamin A and Honduras. "Metodos Epidemiologicos de Programas de Nutrición Comunitaria" (Epidemiological Methods for Community Nutrition Programs. A six week training program for Honduran Health Workers. Sponsored by the Arizona-Mexico Border Health Foundation, Academy for Educational Development and the Scholarship for Peace Program, U.S. Agency for International Development. (30 attendees)

- 1995 Vitamin A and Honduras. "Metodos Epidemiologicos de Programas de Nutrición Comunitaria" (Epidemiological Methods for Community Nutrition Programs. A six week training program for Honduran Health Workers. Sponsored by the Arizona-Mexico Border Health Foundation, Academy for Educational Development and the Scholarship for Peace Program, U.S. Agency for International Development. (30 attendees)
- 1995 Portion size differences between NCI's FFQ and the Mexican-American portion of HHANES: Implications for the development of FFQs. *The Second International Conference on Dietary Assessment Methods*. Boston. January 22-24, 1995. (Poster session)
- 1995 *El estado nutricional de micronutrientes en preescolares (Nutritional Status of micronutrients in pre-schools)*. Primer Congreso Nacional de Alimentación y Nutrición. Santa Domingo, The Dominican Republic. October 20, 1995. (50 attendees)
- 1995 *La interacción entre parásitos y nutrición (Interaction between parasite and nutrition)*. Universidad Nacional Pedro Henríquez Ureña. Santa Domingo, The Dominican Republic. October 20, 1995. (50 attendees)
- 1995 *Nutrición Perinatal, (Perinatal Nutrition)*. Hospital de Los Niños. Santa Domingo, The Dominican Republic. October 20, 1995. (40 attendees)
- 1996 *Intervention Programs to Reduce Cancer Risk*. Nutrition and Cancer. Recent Advances in Prevention and Treatment, Tucson, AZ. March 9, 1996. (75 attendees)
- 1996 Creating International Cooperation in Public Health Research. Center for Investigation on Nutrition and Development, Hermosillo Mexico. (40 attendees)
- 1996 Anthropometric Measurements. National Association of WIC Directors. Boston, MA. (75 attendees)
- 1996 Social network communication strategies in a worksite peer health education intervention. American Public Health Association, New York, NY, November 1996. (50 attendees)
- 1997 The role of fruit and vegetable consumption in the prevention and treatment of cardiovascular disease. Nutrition, Exercise, and Wellness for the Next Millennium. Tucson, Arizona, May 6, 1997. (100 attendees)
- 1998 Susceptibility of low density lipoproteins to oxidation is association with their fatty acid composition. Federation of American Societies of Experimental Biology, San Francisco, CA, April 1998. (Poster session)
- 1998 Evaluation of a medical school's integrated nutrition curriculum. Federation of American Societies of Experimental Biology, San Francisco, CA, April 1998. (60 attendees)
- 1998 What is the association between milk and soda intake on BMI and school performance in third graders? Federation of American Societies of Experimental Biology, San Francisco, CA, April 1998. (Poster session)
- 1998 Body composition changes in hispanics after smoking cessation. Federation of American Societies of Experimental Biology, San Francisco, CA, April 1998. (Poster session)
- 1998 Development and implementation of a bilingual food frequency questionnaire. Third International Congress on Dietary Methods, Arnhem Netherlands, May 1998. (35 attendees)
- 1998 Underestimating energy intake is confounded with cardiovascular risk factors. Third International Congress on Dietary Methods, Arnhem Netherlands, May 1998. (Poster session)
- 1998 Energy intake estimates from FFQ valid compared to diet records but not to TEE. Third International Congress on Dietary Methods, Arnhem Netherlands, May 1998. (Poster session)
- 1998 Comparison of three methods to measure alcohol consumption: food frequency questionnaire, usual quantity frequency, alcohol time line. Third International Congress on Dietary Methods, Arnhem Netherlands, May 1998. (35 attendees)
- 1998 What is a medium portion? Factors influencing perception of portion sizes. Third International Congress on Dietary Methods, Arnhem Netherlands, May 1998. (Poster session)
- 1998 Behavior changes associated with diet recording: identification via focus groups. Third International Congress on Dietary Methods, Arnhem Netherlands, May 1998. (Poster session)
- 1999 Using Spirituality to Reinforce Weight Maintenance Behaviors. Biennial International Conference on Spirituality, Healing and Health, Tucson, Arizona, April 11-13, 1999. (Poster Session).

- 1999 The Post MI Patient: What Should I Say About Diet. 25th Annual Primary Care Update March 30, (100 attendees).
- 1998 Nutrition Workshop, Second National Promotora Conference, Tucson, Arizona, May 26-28, 1999. Working in Partnership with Native American Tribes & Urban Programs. Panel. Research Conference on Native American Health. The Center for Native American Health, Tucson, Arizona Oct. 9, 1999.
- 1999 The Association of Milk Intake with Decreased Childhood Obesity. A Special Mini-symposium on the Role of Dairy Products on Weight. Sponsored by Dairy Management Inc. Chicago.
- 1999 Bassford TL, Taylor AM, Marian M, **Taren DL**, Kallan MA. Baseline Assessment of Medical Students' Cancer Education Prevention and Health Promotion Knowledge, Attitudes and Behaviors. Annual American Association for Cancer Education (AACE). Cleveland OH, October 7-10, 1999.
- 1999 Bassford TL, **Taren, DL**, Taylor AM, Marian M, Lei T. Developing an Integrated Cancer Prevention and Health Promotion 4-Year Core Curriculum for Medical Students. Annual American Association for Cancer Education (AACE). Cleveland OH, October 7-10, 1999.
- 2000 The Post MI Patient: What Should I Say About Diet. 25th Annual Primary Care Update, University of Arizona, March 30, 2000.
- 2000 **Taren, D.** Studies Conducted in Western Kenya. A Special Satellite Seminar titled " Breast Feeding and HIV-1:Future Research Challenge" Sponsored by UNAIDS, CDC, UNICEF and the Africa Centre for Population Studies and Reproductive Health at the XIII World AIDS Conference, Durban, South Africa. July 7, 2000.
- 2000 M. Tobar, A. Hill, D. **Taren**. Eating Patterns are Associated with Under-Reproting Energy Intake. Experimental Biology, San Diego, April 2000.
- 2000 L. Hill1, D.L.**Taren**, M. Tobar1, A. Kolovyansky. Do Modifications IN the format of Food Frequency Questionnaires Effect Dietary Reports? Experimental Biology, San Diego, April 2000.
- 2000 D. **Taren**, B. Nahlen, A. van Eijk J. Otieno, A. Misore, Y.P. Shi, R. Steketee. Early Mixed Feedings and Postnatal HIV Transmission IN KISUMU, Kenya. Experimental Biology, San Diego, April 2000.
- 2000 **Taren D.** Benefits of the Mediterranean Diet. Healthy Heart Conference (60 attendees).
- 2000 C. Frakenfeld, D. **Taren**, A. van Eijk, B. Nahlen, J. Otieno, A. Misore, Y.P. Shi, R. Steketee. Presence of HIV infection negatively associated with Infant growth in Kisumu, Kenya. Experimental Biology, San Diego, April 2000.
- 2000 State of HIV in Africa. Saguaro Rotary Club (30 attendees).
- 2000 **Taren DL**, Tomkins M , Sell K, Carroll, S. Inter Tribal Council of Arizona WIC Program Initial Staff Assessment on Perceptions of the Childhood Obesity Prevention Program. American Public Health Association Annual Meeting, Boston, November 15, 2000.
- 2001 **Taren, D.** Building Academic-Community Partnerships, The Rocky Mountain Public Health Education Consortium, Association of Teachers of Maternal and Child Health Semi-Annual Meeting, March 2001.
- 2000 **Taren, D.** The Globalization of the MCH Curriculum. Association of Teachers of Maternal and Child Health, Semi-Annual Meeting, November 2001.
- 2001 Regional Needs and Leadership Programs in Maternal and Child Health” Egger, M, Streeter, N, Standford, J, Taren, D. Presented at Community Improvement through Public Health, Park City Utah, May 9-11.
- 2003 The Utility of the Night Vision Threshold Test to Screen for Vitamin A Deficiency in Pregnant Nepalese Women. The Prashuti Griha Royal Maternity Hospital in Kathmandu, Nepal. January 2003.
- 2003 Measuring Infant Feeding Practices for Studies on Mother-to-Child HIV Transmission. V International Conference on Dietary Assessment Methods, Chiang-Rai, Thailand, January 2003.
- 2003 Reported night blindness, the night vision threshold test and serum retinol concentrations as indicators of vitamin A deficiency: How do they compare? XXI International Vitamin A Consultative Group Meeting, Marrakech, Morocco, February 2003.
- 2003 Advances and Challenges in International Nutrition. International Health: Clinical and Community Care - Coming of Age - Celebrating 21 Years. Tucson, Arizona July 26, 2003
- 2003 Engineering Nutrition Tools. Engineers without Frontiers. Stanford University, Palo Alto, California,

- November 16, 2003.
- 2003** Inseguridad alimentaria, hambre y factores asociados en la población infantil que acude al hospital del niño de Durango. Centro de Investigación en Alimentos y Nutrición- Facultad de Medicina- UJED, Hospital Municipal del Niño de Durango. Authors: Avila Rodríguez E.H., Avila Rodríguez A., Araujo Contreras J.M., Villarreal Martínez A., Taren D.
- 2004** Optimizing Pregnancy Outcomes with Nutritional Interventions. International Health Medical Education Consortium (IHMEC) Western Regional International Health Conference. Tucson, Arizona. January 31, 2004.
- 2004** Measures of Food Security: Their use for Assessment, Monitoring and Evaluation. International Health Medical Education Consortium (IHMEC) Western Regional International Health Conference. Tucson, Arizona. January 31, 2004.
- 2005** Measuring Prenatal Tobacco Exposure in Rural Nepalese. Society for Research on Nicotine and Tobacco, 11th Annual Meeting held jointly with the 7th Annual SRNT European Conference. March 20-23, 2005 Prague, Czech Republic.
- 2005** Weight Loss In Adolescents Who Quit Smoking With Burpropion. Society for Research on Nicotine and Tobacco, 11th Annual Meeting held jointly with the 7th Annual SRNT European Conference. March 20-23, 2005 Prague, Czech Republic.
- 2005** Nutritional Ophthalmology for Sustainable Livelihoods in Developing Countries. Invited Lecturer for the The Jorge Rodríguez Memorial Lectureship in “Recognition for Contributions to the Nutritional Needs and Visual Health of the People of Nepal”. University of Arizona, Department of Ophthalmology, Tucson, Arizona June 17.
- 2005** Nutritional Strategies that Save Lives from Diarrheal Diseases. Nepal Nutrition Network. April 14.
- 2006** Justifications, Gaps and Needs for New Dietary and Physical Activity Assessment Methods for Children Under Two Years of Age. International Conference on Dietary Assessment Methods, Copenhagen, Denmark. April 27-29, 2006.
- 2006** Treatment of Night Blind Pregnant women with Low Dose Vitamin A Capsules: Methods and Treatment. June 23. Nepal Nutrition Network.
- 2007** Utility And Validity Of The Night Vision Threshold Test (NVTT) In Rural Nepalese Health Posts To Screen Pregnant Women For Night Blindness. Proceedings of the Micronutrient Forum: Consequences and Control of Micronutrient Deficiencies. Science Policies and Programs. Defining the Issues. Istanbul, Turkey April 16-18, 2007.
- 2007** Treatment of Night Blind Pregnant Women With Low Dose Vitamin A Capsules: A Comparison Between Clinic And Home Based Treatment Programs. Proceedings of the Micronutrient Forum: Consequences and Control of Micronutrient Deficiencies. Science Policies and Programs. Defining the Issues. Istanbul, Turkey April 16-18, 2007.
- 2007** Initial Severity Of Night Blindness Modifies Response To Four Weekly Doses Of 25,000 IU of Vitamin A In Night Blind Pregnant Women. Proceedings of the Micronutrient Forum: Consequences and Control of Micronutrient Deficiencies. Science Policies and Programs. Defining the Issues. Istanbul, Turkey April 16-18, 2007.
- 2008** How can school based interventions make a difference. The Seventh Annual Meeting of the College of Public Health Professionals for the state of Sonora, Mexico. February 8, 2008

GRANTS AND CONTRACTS

Grants: Principal Investigator

- 1987** A Comparison of Nutritional Status and Needs Among Members and Non-members of Food Cooperatives for Low Income Families, Tampa United Methodist Council, \$2,000.
- 1991-92** Principal Investigator. The Establishment of the Reliability, Reproducibility, and the Utility of the Food Intake Assessment System for the Florida WIC Program. Support from the Florida State Department of Health and Rehabilitative Services, WIC and Nutrition Services, \$9,950.
- 1992-93** Principal Investigator. Consumption of Dairy Products in Early Childhood and its Role in School Performance and Health. National Dairy Council, \$49,518.

- 1993-94** Principal Investigator. Energy Intake and Weight Gain During Pregnancy, Biomedical Research Support Grant, University of Arizona. \$5,000 (including matching funds of \$2,500 from the Department of Family and Community Medicine).
- 1993-95** Principal Investigator. Measurement of Food Intake in Arizona Populations, Arizona Disease Control Research Commission, FY 93-94 \$33,995, FY 94-95 \$50,074.
- 1994-95** Principal Investigator. The Effects of Fruit and Vegetable Consumption on Risk Factors for CVD: Lipid Profile and the Oxidation of LDLs. American Heart Association, Arizona Affiliate. \$25,566.
- 1994-97** Principal Investigator. Nutrition Education in the Medical Curriculum, National Cancer Institute. NIH \$166,465.
- 1995-96** Principal Investigator. The Effects of Fruit and Vegetable Consumption on Risk Factors for CVD: Lipid Profile and the Oxidation of LDLs. (Follow-up Study) American Heart Association, Arizona Affiliate. \$29,000.
- 1995-99** Principal Investigator. Behavioral Strategies to Reduce Error in Measuring Diet. National Institute of Diabetes, and Digestive and Kidney Diseases, National Institutes of Health. \$786,082.
- 1996-97** Principal Investigator. Consumption of Dairy Products in Early Childhood and its Role in School Performance and Health. Dairy Management Inc (Previously the National Dairy Council) \$49,518.
- 1997-02** Co-Principal Development of a Prevention Education Curriculum for Medical School. National Cancer Institute. \$700,000 (direct costs).
- 1999-00** Principal Investigator, Infant feeding and vertical transmission of HIV. Elizabeth Glaser Pediatric AIDS Foundation. \$5,000 (direct costs).
- 2000-02** Principal Investigator. Initiation of Single-Dose Nevirapine and Breastfeeding Counseling to Decrease Perinatal HIV Transmission in Kisumu, Western Kenya. Elizabeth Glaser Pediatric AIDS Foundation. \$100,000 (direct costs)
- 2000-02** Principal Investigator. Night Vision Threshold Test to Assess Night Blindness. Centers for Disease Control and Prevention. \$213,618 (direct costs)
- 2001-2** Principal Investigator. Development of a Portable Dark Room. Sight and Life Foundation, \$20,000 (direct costs).
- 2001-04** Principal Investigator. Rocky Mountain MCH Workforce Enhancement Program, Maternal and Child Health Bureau, HRSA, \$510,521
- 2004-06** Principal Investigator, Vitamin A Distribution to Night Blind Pregnant Women, U.S. Centers for Disease Control, \$200,000.
- 2004-09** MCH Leadership, Education and Workforce Development. Maternal and Child Health Bureau, HRSA, \$898,160.
- 2004-07** Principal Investigator. Trans-border Collaboration to Strengthen the Public Health Infrastructure and Increase the Health and Competitiveness of Sonora's Workforce. Association Liaison Office, for University Cooperation in Development, USAID, \$292,689
- 2005-2010** Principal Investigator, Decreasing MCH Disparities Through Graduate Education. Maternal and Child Health Bureau, HRSA, \$1,879,000.
- 2006-2007** Tribal Academic Health Department, American Association of Schools of Public Health. \$80,000
- 2006-2007** The Health of Migrant Farmworkers and a Model of Social Responsibility of Agricultural Enterprises. The California Endowment. \$40,000
- 2007-2009** Operational Research Study on the Nutritional Impact of Dehydrated Potato Flake. Counterpart International and the United States Potato Board. \$50,929.
- 2008-2012** Co-Principal Investigator, First Things First External Evaluation, State of Arizona, \$27,000,000.
- 2010-2011** Principal Investigator. Arizona Demand and Capacity for Early Child Care. State of Arizona, \$1,234,543.
- 2010-2014** Principal Investigator. Arizona Public Health Training Center. Health Resources and Services Administration. \$3,235,045.

- 2014-2015** Principal Investigator. Public Health Traineeships. Health Resources and Services Administration. \$107,843.
- 2014-2018** Principal Investigator. Western Region Public Health Training Center. Health Resources and Services Administration. \$3,690,423.
- 2018-2022** Principal Investigator. Western Region Public Health Training Center. Health Resources and Services Administration. \$4,053,812.

Grants: Investigator

- 1984** Graduate Student, The Health and Nutrition of Guaymi Indians, Division of Nutritional Sciences, Cornell University. Support from Smith, Kline and French. (M. Nesheim, PI)
- 1989-92** Principal Faculty Member in Charge of the Nutrition Component. Maternal and Child Health Training Program, U.S. Department of Health and Human Services, \$149,999-FY 89-90, \$418,499-FY 90-91, \$415,000-FY 91-92. (S. Graven, PI)
- 1987-93** Predictors of Vision and Retinal Detachment after Scleral Buckling Surgery. Grizzard & Hammer.
- 1989-90** The role of vitamin A and b-Carotene in the pathogenicity of cryptosporidiosis. Support from the College of Public Health Biomedical Research Support Grant, \$3,676. (L. Canfield, PI)
- 1989-93** Investigator and statistical analyst for the Retinal Detachment Study Group, National Multi center Clinical Trials on Pneumatic Retinopexy, American College of Ophthalmology. (W. Grizzard, PI)
- 1993-94** Nutrition Education in the Medical Curriculum, National Cancer Institute. NIH \$166,465.
- 1993-97** 5-A-Day for Better Health Among Overlooked Workers. National Cancer Institute. NIH \$1,575,353. (D. Buller, PI)
- 1993-97** Women's Health Initiative. National Institutes of Health. \$12,143,384. (C. Ritenbaugh, PI)
- 2002-05** Substance Abuse Distance Learning. Maternal and Child Health Bureau, Health Resources and Services Administration. \$387,807 (M. Muramoto, PI)
- 2002-04** Cultural Competence in the Context of Type 2 Diabetes: An Internet Educational Intervention for Health Care Providers. NIDDK. (PI: Randa Kutob).
- 2005-07** Tobacco use by Nepali Pregnant Women, American Cancer Society, \$14,000 (M. Muramoto, PI)
- 2014-17** National Center for Integrative Medicine and Primary Care, HRSA. Levenson (PI)
- 2014-18** PRIDE R25, NHLBI, \$1,331,967, Garcia (PI)

Contracts

- 1986-88** Investigator, Evaluation of Florida's Prevention of Preterm Birth Program. College of Public Health, University South Florida. Support from the March of Dimes Birth Defects Foundation, \$90,000 and the Florida State Department of Health and Rehabilitative Services, \$24,000.
- 1987-91** Principal Faculty Member in Charge of the Nutrition Component, "Healthy Beginnings" a program to coordinate maternal and child health care in Florida." Support from the Florida State Department of Health and Rehabilitative Services, \$352,160-FY 87, \$325,464-FY 88, \$598,720-FY 89, \$395,438-FY 90 (Research and Service).
- 1989-90** Principal Investigator, The Development, Testing, and Evaluation of a Computer Assisted Food Intake Assessment System for the Florida WIC Program. Support from the Florida State Department of Health and Rehabilitative Services, WIC and Nutrition Services, \$30,000.
- 1990-91** Co-Principal Investigator, The Port Richey Fundamental School Lunch Program. A program to increase school lunch participation and decrease the percent fat and salt in meals by modifying the cafeteria environment and lunch menus. Supported by the Pasco County Public School System.
- 1989-91** Co-Investigator, Evaluation of the GENESIS Prenatal Program. Evaluation of an outpatient program to improve pregnancy outcomes. Support from Tampa General Hospital, \$60,000.
- 1990-91** Principal Investigator, Evaluation of Central Florida WIC Peer Counseling Breast-feeding Promotion Program. Supported by the Lake County Public Health Unit, \$4,000.

- 1991 Principal Investigator, School Based Recycling Programs and School Food Services Programs. A program to increase recycling activities in Florida Schools. Supported by the Florida Department of Education, \$20,000.
- 1989-92 Co-Principal Investigator, The Hillsborough County Medicaid Eligibility Demonstration Project. Evaluation of a program to increase Medicaid approval rates for pregnant women. A joint study sponsored by the county government, medicaid office, county department of public assistance, Tampa General Hospital and the College of Public Health, University of South Florida.
- 1992-93 Co-Principal Investigator. Guides for Equipping a Small Kitchen, Designing Kitchens that Serve Children. Florida Department of Education, \$32,000
- 1994-96 Principal Investigator. Evaluation of the Arizona Grown 5-A-Day for Better Health Promotion Program. United States Centers for Disease Control and Prevention. Subcontract from the Arizona Department of Health Services-Office of Nutrition Services. \$57,000.
- 1989-99 Principal Investigator, Growth Patterns of Tohono O'odom Children. An Evaluation of 10 years of Measurements. Indian Health Service. \$20,549.
- 1998-99 Principal Investigator, Evaluation of Child Food Questionnaire. Arizona Department of Health Services. \$30,800.
- 1999-02 Principal Investigator. Technical Assistance to the Inter Tribal Council of Arizona to Develop and Implement a National WIC study on the Prevention of Obesity Program within the WIC Program. \$75,000 (subcontract), USDA \$300,000 Grant.
- 2001-02 Principal Investigator. Assist and Develop a Program to Prevent Mother to Child Transmission of HIV Infection. Centers for Disease Control and Prevention. \$59,400.
- 2012-15 Principal Investigator. The Arizona Train Learning Management System. Inter-agency Service Agreement. Arizona Department of Health Services. \$100,427.
- 2012-15 Principal Investigator. The Arizona Train Learning Management System. Inter-agency Service Agreement. Arizona Health Care Cost Containment Services. \$77,762.

- 1985 Pelletier D, Weber J, Kurz K & **Taren D**. *Technical Documentation for a Nutritional Surveillance System Data Base in New York State*. Working Paper no. 41, Cornell Nutrition Surveillance Program, Ithaca, NY.
- 1986 **Taren D**, Holland CV, Crompton DWT, Nesheim MC, & Sanjur D. *The Effectiveness of a Single Dose of Levamisole in Preschool Children with Polyparasitic Intestinal Infections. A Report of a Field Trial Conducted in Chiriqui, Province, Republic of Panama*. Presented to Imperial Chemical Industries, Pharmaceutical Division, Alderley Park, MacClesfield, Cheshire, England.
- 1987 **Taren DL**, Thompson FE, Andersen E, Frongillo EA, Lambert JKL, & Scholes JE. *Monitoring the Use of Soup Kitchens and Food Pantries in New York State. The First Year: July 1985-June 1986*. Cornell Nutrition Surveillance Program.
- 1988 Graven SN, & **Taren DL**. *Final Report, Evaluation of the Florida Prevention of Preterm Birth Program*. Presented to the Florida Department of Health and Rehabilitative Services, Division of Maternal and Child Health, and to the March of Dimes Birth Defects Foundation.

- 1990 Contis C, & Taren DL. *The Hillsborough Medicaid Assistance Program*. Presented to The Department of Public Assistance, The Florida Department of Health and Rehabilitative Services, and Tampa General Hospital.
- 1990 Jacobson HN, Taren DL, & Innis VL. *The Development, Testing, and Evaluation of a Computer Assisted Food Intake Assessment System for the Florida WIC Program*. Florida Department of Health and Rehabilitative Services, WIC and Nutrition Services.
- 1989 Taren DL. Guest Editor, *Nutrition and Parasitism. Clinical Nutrition*. Nov/Dec 1989.
- 1992 Taren DL. A monthly nutrition column in *The Florida Connection*, A monthly publication of SHARE Tampa Bay. (Distribution to more than 45,000 low and middle income people in Central Florida.) Starting December 1990 through November 1992.
- 1992 Taren DL, Jacobson HN, & Chen J. *Computer Assisted Dietary Assessment (CADA) System*. Final Report - Contract MN231, Florida WIC and Nutrition Services.
- 1993 Taren DL, & Jacobson HN. *Consumption of Dairy Products in Early Childhood and its Role in School Performance and Health*. Final Report. National Dairy Council and the National Dairy Board.
- 1996 *Native Americans in Public Health*. University of Arizona. Supported by a grant from the Kellogg Foundation.
- 1996 *Arizona Graduate Program in Public Health (AzGPPH) Advising*. A Video tape for advising faculty who are in the AzGPPH. University of Arizona.
- 1993 Taren DL, & Jacobson HN. *Consumption of Dairy Products in Early Childhood and its Role in School Performance and Health*. Final Report. National Dairy Council and the National Dairy Board.
- 1995 Taren DL, El Mirage Dietary Assessments. Arizona Department of Health Services, Office of Nutrition Services.
- 1996 Taren DL, Evaluation of the Arizona Grown 5-A-Day for Better Health Promotion Campaign. Tucson, AZ.
- 1997 Taren DL. Development and implementation of a food frequency questionnaire. *Proceedings of the Workshop in Dietary Assessment Methodologies: Issues in Data Collection and Analysis*. Cornell University and Centro de Investigación de Alimentos y Desarrollo. Hermosillo, Sonora Mexico, November 6, 1997.
- 1999 Taren DL. Growth Patterns of Tohono O'odom School-Age Children. Indian Health Service, 1999.
- 1999 Taren DL. Evaluation of a Child Food Frequency Questionnaire for the Arizona WIC Program. Arizona Department of Health Services, Office of Nutrition Services, 1999.
- 2008 Taren D. Vertical Transmission of HIV in Kenya. International Studies Colloquium, University of Arizona. February 2008.
- 2016 Taren D. Best Practices in Evaluating Teaching, Association of Schools and Programs of Public Health. March 20-22, 2016.

STUDENT COMMITTEES

University of South Florida

Doctoral Students

Remi Imeopkarie, PhD (1992) Committee Member

Susan Goodrich, PhD (1993) Committee Member

Monica Laude, PhD (1993) Committee Member

Master of Science Students

Carlene Jackson, MSPH (1991) Committee Chairperson

Mary Beth Freeman, MSPH (1992) Committee Member

Janice Brown, MSPH (1993) Committee Chairperson

Maser of Public Health Students

Patricia Arick, MPH (1988) Advisor

Frances Eury, MPH (1988)

Cynthia Studenic, MPH (1989)

Andrew Walker, MPH (1989)

Fathy Saad, MPH (1992)

Patty Cuffe, MPH (1992)

Philip Bockaire, MPH (1992)

Jing Chen, MPH (1993)

University of Arizona

Doctoral Students

Mofida El-Khalifa, PhD (1997) Nutritional Sciences, Committee Member

Anabel Hill, PhD (1997) Epidemiology, Committee Member

Rafael Garcia, PhD (2002) Agriculture Biotechnology, Committee Member

Jeongmin Lee, PhD (2002) Nutritional Sciences, Committee Member

Kathy Mora, PhD (2005) Nutritional Sciences, Chair

Zeina Makhoul, PhD (2007) Nutritional Sciences, Chair

Katie Holton, PhD (2010) Nutritional Sciences, Chair

Kate McDonald, DrPH (2012) Maternal and Child Health, Committee Member

Stephanie Rainie, DrPH (2015) Maternal and Child Health, Committee Member

Jirina Foltysova, DrPH (2013) Maternal and Child Health, Chair Dissertation

Teri Moore, DrPH (2013) Maternal and Child Health, Chair Dissertation

Kait Shinaberry, DrPH (2015) Maternal and Child Health, Chair Dissertation

Stephen Michaels, DrPH (2016) Maternal and Child Health, Chair Dissertation

Rebekah Coskun, DrPH (2017) Maternal and Child Health, Chair Dissertation

Jordan Miller, DrPH, Maternal and Child Health, Chair Dissertation

Allison Root, DrPH, Maternal and Child Health, Advisor

Nidal Azreg-Zakaria Kram, DrPH, Maternal and Child Health, Advisor

Dominic Clichee, DrPH, Maternal and Child Health, Advisor

Master of Science Students

Sue Cole, MS (1996) Nutritional Sciences, Committee Member

Laura Steineger, MS (1997) Nutritional Sciences, Committee Member

Kristen Bruinsma, MS (2000) Nutritional Sciences, Chair

Cara Frankenfeld, MS (2000) Nutritional Sciences, Chair

Hui Shen, MS (2002) Epidemiology, Committee Chairperson

Michael Broyles, MS (2002) Epidemiology, Committee Member

Ghada Araj, MS (2002) Nutritional Sciences, Chair

Master of Public Health Students

Zhao Chen, MPH (1995)
Niloufer Randaria, MPH (1995)
Kelly Grekin, MPH (1996)

Undergraduate Students Honors Program

Rhiannon Crain (2001), Ecology
Celeste Lopez (2001), Molecular and Cellular Biology
Jason Chang (2001), Mechanical and Biosystems Engineering
Kyle Tiemeier (2005), Molecular and Cellular Biology
Michele O'Shea (2009), Molecular and Cellular Biology
Leena Patel (2013), Public Health
Aniket Maitra (2013), International Studies
Oumou Hawa Bah, Public Health (2014)

Medical Student Projects

Kathy Miller (1997) Cryptosporidium in Puebla Mexico
Martha Miller (1998) Energy requirements of children with cerebral palsy
Ron Serbin (2000) Congenital malformation registry for the classification of cardiovascular defects
Peggy Avina (2003) Community based diabetes prevention program in Costa Rica.

Host for Visiting Scholars

Mamadu Kante, MD, MPH (Fall 1995)
Edward Garrison, PhD, MPH (Summer 1997, 1998)
Emilio Bustamante, BS (Summer 2001)
Nuriya Ibragimova, BS (Spring 2004)
Teresa Ekaete Nwachukwu, MD (Summer 2011)
Abimbola Onigbanjo Williams, MPH (Summer 2011)

Post-Doctoral Scholars

Halimatou Alaofe, PhD (2012-2015)

COURSES TAUGHT

Northland Pioneer College

Lecturer, Human Nutrition. 1981

Cornell University

Graduate Teaching Assistant, NS 614 Maternal and Child Nutrition, 1982

University of South Florida

Graduate Courses (Year courses taught)

PHC 6051 Biostatistics (1987)
PHC 6935 Rural Health care in South America (1987)
PHC 6934 Public Health Nutrition (1987-1990)
PHC 6523 Policies and Practices in Maternal and Child Nutrition (1989)
PHC 6522 Biological Role of Nutrition in Health (1989-1991)
PHC 7935 Applied Research Methods in Community and Family Health (1989-1992)
PHC 6524 Public Health Nutrition For the Adult and Aging Population (1990-1991)
PHC 6930 Public Health Seminar (1990-1992)
PHC 6526 Nutritional Assessment of Individuals and Communities (1990-1992)

Other Instruction

Faculty member, Intensive Summer Programs in Health Management, these programs were for persons working in developing countries. (1987-1991)

Faculty Member, Field Research Methods in Maternal and Child Health. Sponsored by the University of South Florida and the Jamaican Ministry of Health, Treasure Beach, St. Elizabeth Parish, Jamaica. (1988)

Director and Professor, Principios de Epidemiología Perinatal, 1989 (Principles of Perinatal Epidemiology) and Segundo Curso de Métodos Epidemiológicos y Salud Materno-Infantil, 1990 (Maternal and Child Health Epidemiology). Sponsored by the Costa Rican Institute for Research and Teachings in Nutrition and Health (INCIENSA) and the College of Public Health University of South Florida, Tres Ríos, Costa Rica. (1989, 1990)

University of Arizona

Graduate Courses (Year courses taught)

MED 805 Community Nutrition in Community Oriented Primary Care (1993-1997)
FCM 578 Public Health Nutrition (1994-1996)
FCM 596N International Nutrition (1994, 1995, 1997)
FCM 570 Issues and Trends in Public Health (1994)
MED 596 Prenatal and Infant Nutrition Elective (1994)
PHL 579 Public Health Nutrition II (1995)
CPH 578 Public Health Nutrition (1999-2006, 2012)
CPH 578 Maternal and Child Nutrition (2008, 2009, 2011-13)
CPH 560 International and Community Nutrition (2000-2007, 2009-2013, 2015+)
PHL 599 Public Health Seminar (2000)
CPH 533 Global Health (2007-2010)
CPH 586 Maternal and Child Health (2010)
CPH 609 Evaluating the Public Health Literature (2013)
CPH Public Health Communications (2015+)

Co-taught courses (Year courses taught)

CPH 683A MCH Summer Institute I (2001-2008)
CPH 594A MCH Certificate Practicum (2002-2009)
CPH 683B MCH Summer Institute II (2002-2009)
CPH 596T Alcohol and Tobacco: Effects in Pregnant and Parenting Women (2005-2009)
CPH 596U Alcohol and Tobacco: Effects on Infants and Children (2005-2009)
CPH 596V Alcohol and Tobacco: Effects in Adolescents (2005-2009)

Residency

Coordinator of FCM Residency Nutrition Lectures (1993-1994)
Federal, State and Local Nutrition Programs (1993)
Nutrition Parasite Interactions (VET SCI) (1994)
Weight Management of Children (1994)
Family and Community Medicine Faculty Development Program (1996)

Other Instruction

Faculty Member, International Health in the Developing World, Annual summer course (1995-2002, 2006-2009, 2011)
Nutrition Research, Minority High School Science Program (1994)
Health Care Issues to visiting Honduran Health Professionals (1994, 1995)
Director of Accelerated Public Health Cohort, National Institute of Public Health, Cuernavaca, Mexico, 2015.
Director of Accelerated Public Health Cohort Field Course, Cusco, Peru, Summer 2017

Thunderbird, American Graduate School of International Management

International Health Care Management (1994, 1995)
