Principles & Techniques of Fundraising Fundraising School, Indiana University Indianapolis, Indiana	2010
Institute for New Chief Academic Officers American Council on Education Washington, DC	2008-2009

Leadership Experience

National University of Natural Medicine President/CEO	2019-present
Multiple Leadership Positions, SCNM Executive Vice-President Oversaw the Clinical Enterprise, Academic Enterprise, Library, Dean of Students Office, and Research. With the President, led Strategic Planning. Revised the Campus Master Plan. Completed a design-build of a new 48,000 ft ² LEED Platinum building on campus that housed additional classroom space, an auditorium, a restaurant, teaching kitchen, yoga studio, cardio/weight room, library, formal and informal student study space, expanded Medicinary, and a Pain Relief Center. Led the College's participation in the Samueli Institute's Chronic Pain Breakthrough Collaborative. Developed an integrative model of care for the Pain Relief Center. Managed contract	2011-2016

negotiations with the MDs and other new providers. Fundraising activities included those to support the community clinics, Pain Relief Center, Staff Development. Procured an Organizational Enhancement Grant designed to support organizational culture called "Smarter Together." Explored and began planning new stand-alone programs. Formed an affiliation agreement with the University of Arizona College of Public Health and developed the curriculum for a joint ND/MPH program. Accreditation successes included approval from the Higher Learning Commission to offer new programs.

Executive Vice President of Academic and Clinical Affairs

2008-2011

This position blended the roles of CMO and CAO. Oversaw the clinical enterprise as well as the academic enterprise including the library. With the President, led strategic planning and campus master planning. Led the design and renovation of the new SCNM Medical Center, Lab, and Medicinary. Achieved a unified campus by co-locating the Medical Center to the Tempe campus location. Implemented new Electronic Medical Records in the Medical Center. With faculty partnership, reviewed and revised faculty contracts and created an equitable faculty pay scale commensurate with faculty rank. With faculty and staff partnership, revised the academic calendar and completed a from-the-ground-up curriculum revision. Invested in faculty development to support the curriculum revision by creating with partnerships with the University of New Mexico College of Medicine and Case-Western Reserve. Accreditation successes included CNME approval for substantive change to ND curriculum and multiple successful site visits by the CNME and the Higher Learning Commission.

Interim Chief Academic Officer

2008 (6 month)

During a time of transition, took on the role of Chief Academic Officer in addition to my Chief Medical Officer role.

Chief Medical Officer and Executive Vice President of Clinical Affairs

2005-2008

Oversaw the SCNM Medical Center, Lab, Medicinary, community clinics, and clinical education. Increased patient volume at the Medical Center by 38% and led two Medical Center renovations. Increased the number of community clinics from eight to eleven and successfully fundraised to support this expansion. Expansion of community clinics involved creating institutional partnerships with a public school system and a domestic violence center. Gained CNME approval for SCNM's residency programs, wrote the residency manual, and directed the residency program, overseeing five residents. Students' NPLEX clinical board scores increased 35% between 2005 and 2008. Achieved many accreditation successes in the area of clinical education by addressing previous CNME recommendations related to clinical competencies, patient volume, and clinical examinations.

Southwest College of Naturopathic Medicine and Health Sciences
Tempe, Arizona

Director of Naturopathic Medicine

2002-2005

Director of the naturopathic medicine program at CTCA's second hospital. Provided integrative oncology care in the out patient and in-patient settings. Grew the program from one ND and 2 residents to a staff of three NDs and two residents. Directed the residency program and wrote the residency manual. Added acupuncture to the list of services provided to patients and created an integrative patient visit model between the departments of medical oncology and naturopathic medicine. Participated deeply in many quality improvement projects including the process improvement of new patient scheduling. Participated in strategic planning and the design-build of SRMC's new hospital. Member of the search committee for physician new hires. As "The

Naturopathic Chef," I was a guest chef and baker in the hospital's kitchen/cafeteria and was highlighted as a nutritional expert and natural foods chef on numerous local and regional television and radio shows.

Southwestern Regional Medical Center - a Cancer Treatment Centers of America Hospital
Tulsa, Oklahoma

Interim Clinic Director and Residency Director

1999-2001

Developed and implemented new clinic for UBCNM's first graduating class. Included developing clinical competencies, clinical exams, hiring clinical faculty, developing relationships and administrative processes in the existing student clinic, and leading the hiring process for the new Clinic Director. Developed and Directed the Integrative Medicine Residency Program, a model residency program and partnership between UBCNM and Griffin Hospital.

University of Bridgeport College of Naturopathic Medicine
Bridgeport, Connecticut

Clinical Research Specialist

2000-2003

Served as CAM Expert. Participated in writing the largest funded CAM research grant the Center had seen, the CAM Outcomes Research Project (CORP). This study resulted in four pilot projects and multiple peer-reviewed publications.

Yale-Griffin Prevention Research Center
Derby, Connecticut

Co-Founder/Co-Director

1999-2002

With my counterpart, David Katz, MD, MPH, founded and directed the Integrative Medicine Center at Griffin Hospital, a Yale-affiliated acute care community hospital, and headquarters to the PlaneTree model of care. Provided outpatient clinical care and in-patient consults, provided under-graduate and post-graduate medical education across medical disciplines, and conducted clinical research.

Integrative Medicine Center at Griffin Hospital
Derby, Connecticut

Entrepreneurial Experience

Co-Owner/ Educator / Consultant / Physician

2017-present

Provide classes on natural medicine topics to healthcare professionals and the lay public. Consulting in product development of gemstone energy tools for non-needle acupuncture, facials and bodywork. Provide professional natural medicine consultations with a focus on wellness, longevity, and beauty in a unique day-spa environment.

Stone and Sage Apothecary, LLC
Flagstaff, Arizona

Owner / Consultant

2016-present

Consulting in Telehealth, Leadership, Change Management, and Quality Improvement

Dr. Christine Girard, LLC
Flagstaff, Arizona

Owner / Physician

1998-2002

Solo Naturopathic Medicine Private Practice

Cornerstone Center for Health, LLC
Seymour, Connecticut
