Service Learning is a teaching and learning strategy that integrates
meaningful community service with instruction and reflection to enrich the
learning experience, teach civic responsibility, and strengthen communities.

- Courses require out of town travel and long days.
- Food and lodging are covered. Students are responsible for tuition.
- Open to all masters (MPH) and doctoral (DrPH/PhD) and dual
degree public health students.
- Due to high demand for these courses, enrollment requires
instructor approval and is limited to participation in up to two
service learning courses.

Registration begins February 6, 2017.
