---

* MPH required core courses are offered fall & spring semesters, allowing flexibility. The modality and number of offerings may vary by semester and are subject to change.

~EPID 660 cannot be taken in same semester as HPS 577 due to course time conflict.

**Prerequisites for HPS 909 – Master’s Report “Internship” - Global Health Track:** At least 3 MPH core courses; HPS 586, Maternal and Child Health; HPS 533, Global Health and (1) Planning and/or Evaluation Course.

***Students who require full time graduate status for loan/scholarship disbursement may need to take more units than the sequencing recommends.
