## IMPORTANT GUIDELINES

* MPH required core courses are offered fall & spring semesters, allowing flexibility. The modality and number of offerings may vary by semester and are subject to change. All five 3-unit Core Courses must be complete prior to the student’s final term in the program.

**Prerequisites for HPS 909 – Master’s Report “Internship” - MCH Track:** At least 3 MPH core courses; HPS 586, Maternal and Child Health; and (1) Program Planning & Evaluation Course. Final report cannot be submitted until all five 3-unit core courses have been completed.

***Students who require full time graduate status for loan/scholarship disbursement may need to take more units than the sequencing recommends.

§ Service Learning courses (597 A-G & S) can be taken from other programs within the College of Public Health with course prefixes of HPS, EPID, PHP, or PHPM. Service Learning courses are offered all semesters. Please consult the schedule of classes for exact course dates.

# This course offered only in this semester.

**Bolded courses in first fall semester indicate essential courses for the student to take that semester.**

### + Service Learning Course (2 units):
Choose 2 units from the following:
- EPID 597S  Skin Cancer Prevention in the Community Setting (1-2) – (offered Fall and Spring)
- HPS 597A  Maternal & Child Health Programs in Urban Settings (1) (offered Summer - Tucson)
- HPS 597B  Maternal & Child Health Programs in the Rural Southwest (1) (offered Summer - location varies)
- HPS 597E  Public Health for Community Wellness (2) – (offered Fall and Spring)
- PHP 597C  Border Health Service Learning Institute (1) (offered Summer - US/Mexico Border)
- PHP 597F  Phoenix Urban Service Learning (1) – (offered Winter - Phoenix)
- PHPM 597D  Rural Health Service Learning Institute (1)- (offered Spring location varies)
