ARIZONA RESIDENCY

Are you an Arizona state resident? If you're an Arizona state resident, or might become one soon, you should become familiar with the [Residency Classification Office](#).

If you are incorrectly classified as an out-of-state student when you are an Arizona resident, you will need to follow the [UA Procedures for Establishing Arizona Residency](#). You will fill out the [Domicile Affidavit Form](#) and return it to their office.

If your status changes during your time at the U of A, you can apply for a review of your status during certain times of the year. Please contact the [Residency Classification Office](#) at 520.621.3636 or REG-rco@email.arizona.edu if you have any questions.

BOOKS

So, you're registered and you're ready to go! You visit the big, beautiful [UA Bookstore](#) in the Student Union. You ask where the public health books are. They look at you like you just took a one-way trip from Pluto. "Hmmm," you think, "there must be more to this book-buying thing than meets the eye."

There is! Our books are sold at the [Arizona Health Sciences Center \(AHSC\) Bookstore](#). The AHSC Bookstore is located in Room 1116 on the ground floor of the [Arizona Health Sciences Center](#), near the [Arizona Health Sciences Library](#), just a bit north of the College of Public Health. You may also order books online and have them shipped to you.

In addition, some books may be on reserve at the [Arizona Health Sciences Library](#). Many books can also be purchased or rented through [Amazon](#) or [Chegg.com](#). Required books may be listed on [UAccess Student Center](#) and/or [D2L](#), as well as on the syllabus on the first day of class.

CAMPUS SAFETY

Safety is an important issue for the entire University of Arizona campus community. The University of Arizona offers various campus safety resources and services like [SafeRide](#) and [UA Alert](#).

The [UA Police Department](#) provides a secure atmosphere for the University Community. For non-emergencies, UAPD can be reached at 520.621.8273 (621-UAPD). In case of emergency, please still call 911.

For **Phoenix campus students**, Campus Security can be reached at 602.827.2368.

In addition, with the new **LiveSafe App**, you have the option to either call ASUA SafeRide or to use the app's feature called SafeWalk, which allows you to pick a contact from your address book to watch your location as you walk to your destination in order to make sure that you arrive safely. LiveSafe is free and accessible to all through the [Apple Store](#) or [Google Play Store](#).

CAT CARD

The [CatCard](#) is the official University of Arizona identification card. CatCards feature a digitized photo, digitized signature, SmartChip, and magnetic strip.

To obtain your CatCards, visit the [CatCard Office](#), located on the first floor of the Student Union. Make sure to bring a government or state issued photograph identification such as a driver's license, state identification card, or passport, as well as your student ID number. There is a \$25 charge for your CatCard. Prior to obtaining your CatCard, you must be enrolled in at least one class.

Your CatCard can be used for:
