### IMPORTANT GUIDELINES

**Bolded courses in first fall semester indicate essential courses for the student to take that semester.**

* MPH required core courses are offered fall & spring semesters, allowing flexibility. The modality and number of offerings may vary by semester and are subject to change. All five 3-unit Core Courses must be complete prior to the student’s final term in the program.

**Prerequisites for HPS 909 – Master’s Report “Internship”:** At least three MPH core courses; HPS 533 - Global Health; and HPS 529 – Project Planning and Evaluation in Global Health and Development. Final report cannot be submitted until all five 3-unit core courses have been completed.

1 Prerequisites for EPID 606: EPID 573A. Concurrent registration, PHPM 574 and HPS 577.

2 HPS 533, HPS 560, EPID 606, EHS 525 are offered in the spring semester only.

3 HPS 529, HPS 559 and HPS 635 are offered in the fall semester only.

4 Students who require full time graduate status for loan/scholarship disbursement may need to take more units than the sequencing recommends.
