**IMPORTANT GUIDELINES**

- **Bolded courses in first fall semester indicate essential courses for the student to take that semester.**

- * MPH required core courses are offered fall & spring semesters, allowing flexibility. The modality and number of offerings may vary by semester and are subject to change. All five 3-unit Core Courses must be complete prior to the student’s final term in the program.

- **Prerequisites for PHPM 909 – Master’s Report “Internship”**: Minimum 3 MPH core courses required before starting internship. The Applied Learning Experience is a self-directed activity designed by the student in collaboration with a community-preceptor and a faculty advisor. Students are expected to apply their newly gained competencies to a practical problem within their chosen discipline in a field-based setting. Students with more involved projects may enroll in up to 6 credits distributed across 2 or more semesters.

- # Service Learning courses (597 A-G & S) can be taken from other programs within the College of Public Health with course prefixes of HPS, EPID, PHP, or PHPM. Service Learning courses are offered all semesters. Please consult the schedule of classes for exact course dates.

**# Service Learning Course:**

Choose from the following:

- EPID 597S Skin Cancer Prevention in the Community Setting (1-2) – (offered Fall and Spring)
- HPS 597A Maternal & Child Health Programs in Urban Settings (1)
- HPS 597B Maternal & Child Health Programs in the Rural Southwest (1)
- HPS 597E Public Health for Community Wellness (2) – (offered Fall and Spring)
- PHP 597C Border Health Service Learning Institute (1)
- PHP 597F Phoenix Urban Service Learning (1)
- PHPM 597D Rural Health Service Learning Institute (1)
