REQUIRED CORE COURSES - (16 units)
EPID 573A  Basic Principles of Epidemiology (3)
PHPM 574  Public Health Policy & Management (3)
EHS 575  Environmental & Occupational Health (3)
BIOS 576A  Biostatistics in Public Health (3)
HPS 577  Sociocultural & Behavioral Aspects of Public Health (3)
EPID 580  Integrated Public Health Learning Experience - MPH capstone course (1)

Internship Preparation Workshop
(required; non-credit; semester before internship begins)

Interprofessional Education Activities
(documentation required; non-credit)

REQUIRED EPIDEMIOLOGY COURSES - (26 units)
EPID 573B  Epidemiologic Methods (3)
EPID 573C  Advanced Epidemiology (3)
BIOS 576B  Biostatistics for Research (3)
EPID 596D  Public Health Experience – Student Epidemiology Response Team (2)
EPID 696A  Epidemiology Seminar (1 unit – 2 times)
EPID 909  Master’s Report “Internship” (4)

Complete 3 Selective Epidemiology courses – minimum 9 units from the following courses:
EPID 615A  Cancer Epidemiology & Prevention (3)
EPID 630  Maternal and Child Health Epidemiology (3)
EPID 645  Nutritional Epidemiology (3)
EPID 646  Measurement Issues in Epidemiology (3)
EPID 660  Infectious Disease Epidemiology (3)
EPID 670  Chronic Disease Epidemiology (3)
EPID 676  Spatial Epidemiology (3)
EPID 677  Principles of Genetic Association Studies (3)
EPID 679  One Health Applications and Practice (3)

Total Required Credit Hours: 42
# Epidemiology Recommended Course Sequencing

Effective for those following the 2022/2023 academic curriculum guide

**IMPORTANT GUIDELINES**

* Bolded courses in first fall semester indicate essential courses for the student to take that semester.

* MPH required core courses are offered fall & spring semesters, allowing flexibility. The modality and number of offerings may vary by semester and are subject to change. All five 3-unit Core Courses must be complete prior to the student’s final term in the program.

** Prerequisites for EPID 909 – Master’s Report “Internship”**: At least 3 MPH core courses, EPID 573B, and BIOS 576B before starting internship. EPID 909 typically is taken in multiple semesters with the credit hours split across semesters. Note: The final internship report may not be completed until the semester following the completion of all five MPH core courses.

1 This course only offered in this specific semester; not in both fall and spring semesters.

2 This course is offered both fall and spring semesters

3 Note: Students planning an infectious disease related MPH Internship are encouraged to take EPID 660 spring year 1. EPID 660 and HPS 577 are offered during the same time slot during the spring semester; plan accordingly.

4 Students who require full time graduate status for loan/scholarship disbursement may need to take more units than the sequencing recommends.
