### IMPORTANT GUIDELINES

**Bolded courses in first fall semester indicate essential courses for the student to take that semester.**

* MPH required core courses are offered fall & spring semesters, allowing flexibility. The modality and number of offerings may vary by semester and are subject to change. All five 3-unit Core Courses must be complete prior to the student’s final term in the program.

**Prerequisites for HPS 909 – Master’s Report “Internship” - HBHP Track:** At least 3 MPH core courses and HPS 532A. Final report cannot be submitted until all five 3-unit core courses have been completed.

\(^1\)This course only offered in this specific semester

\(^2\)Prerequisites for – HPS 532A: HPS 531 and HPS 577 | HPS 535: HPS 577

\(^3\)Students who require full time graduate status for loan/scholarship disbursement may need to take more units than the sequencing recommends.
