* MPH required core courses are offered fall & spring semesters, allowing flexibility. The modality and number of offerings may vary by semester and are subject to change.

@Contact your Faculty Mentor for a list of **Elective courses** appropriate to your interest area.

§Make sure you consider course delivery by year (**some courses only have even or odd year offerings**).

#EHS 909 Internship may not be initiated until a minimum of 3 core classes have been completed which must include BIOS 576A, EHS 502 and EHS 584.

Note: The final internship report may not be completed until the semester following the completion of all five MPH core courses.

All five MPH core courses must be completed prior to the student's final semester.
