Undergraduate Minor in Public Health (Online)

A minimum of 18 units are required for the undergraduate minor in Public Health. Admission to the minor requires enrollment in a fully online program, a minimum 2.5 GPA, and the student’s minor GPA, at the time of graduation, must be at least a 2.0. Admission into the minor does not guarantee entry into College of Public Health courses.

Required Minor courses: (9-units)

- HPS 178 (3)  Personal Health and Wellness (fall, spring, summer)
- HPS 200 (3)  Introduction to Public Health (fall, spring, summer)
- EPID 309* (3) Introduction to Epidemiology (fall, spring)
  *MATH 112 is a required prerequisite course for EPID 309

Elective Minor courses: (9-units)

Public health minor students choose 9 units of elective coursework. Students have the option to take interesting courses on topics around health care in the US, biostatistics, health disparities, strategic planning, global health and many more. Reach out to Grace Patterson (gbpatterson@email.arizona.edu) for information on courses that work best with your specific schedule needs. Grace will also share information about which elective courses that may have additional prerequisites.
